

# GOING TRICK OR TREATING

October 31<sup>st</sup> is Halloween.

A lot of people like to dress up in costumes on Halloween.

They also like to go trick or treating.

Trick or treating is when kids go from door to door to get candy.

First, walk up to the house or apartment door.

Then, knock on the door.

Next, say "trick or treat" and hold your bag or bucket out.

The person at the door will  
put candy or a treat in the bag.

When they put candy in the  
bag or bucket, it is best to  
say "thank you"!

After that, people usually walk to the next house or door.

If there is a house with no lights on, people usually don't go there.

It is best to go trick or treating  
with a parent or other safe adult.

Trick or treating can be very fun!  
Happy Halloween!
